

# Summer Squash

One common type of summer squash is zucchini, but there are many other kinds, including yellow and crookneck squash.

- Grate summer squash into an omelet
- Slice and eat fresh in salads or as part of a cold vegetable platter
- Chop and steam in a small amount of water for 5 minutes, then season with salt and pepper
- Cook with garlic, corn, and tomatoes for a side dish
- Refrigerate whole squash in an open plastic bag
